TYRE
PATERNOSTERS

schwab

Förder- und Lagertechnik
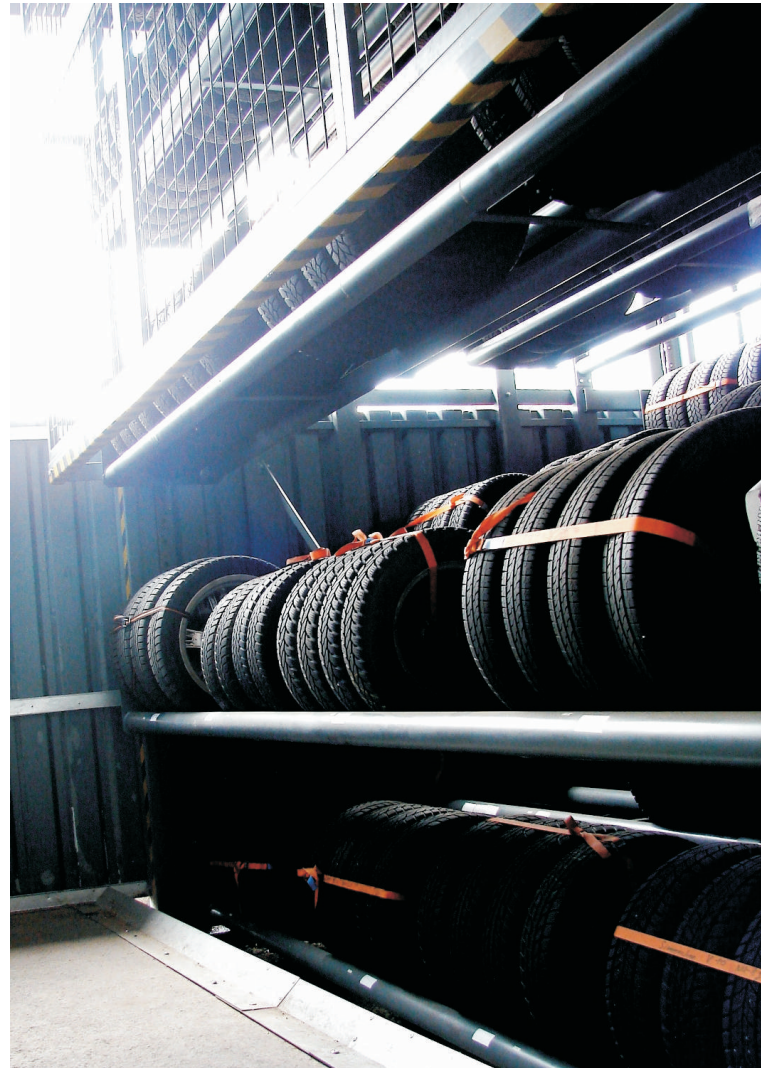

Tyre paternoster

The use of schwab's tyre paternosters solves most of the stock keeping problems and enables direct access to each tire by push-button controls.

The paternosters allow speedy work at high clock frequencies. Climbing on ladders omitted. The tyres are easily and quickly placed in the gondolas, sliding supports prevent falling over of single tyres or tyre sets. Removal is just as quick and uncomplicated. The waiting times for customers are reduced, labor is saved.

The sophisticated technology offers highest standards in ergonomics, operational reliability and durability. Connection to the inventory of your business.
